

# ELECTRO EXPO: Project Showcase Event

## Description:

Electro Expo is an exciting platform where participants can showcase their innovative projects in the field of electronics and communication. Participants may compete individually or as part of a team. The event aims to highlight creativity, technical prowess, and knowledge-sharing through impactful presentations.

---

## Event Rules:

1. **Team Size:** Maximum of 3 members per team.
  2. **Focus Area:** Projects must pertain to electronics and communication.
  3. **Presentation Time:** Each team is allocated 8 to 10 minutes to present their project.
  4. **Viva Session:**
    - Post-presentation, participants will face a viva session.
    - Responses to questions will be scored and contribute to the final evaluation.
  5. **Prototype Requirement:** A functioning prototype is mandatory.
  6. **Documentation:** Teams must submit:
    - A hard copy of the project abstract.
    - The functioning prototype for evaluation.
  7. **Final Decision:** The adjudication panel's decision is final and binding.
- 

## Judging Criteria:

Projects will be assessed on the following parameters:

1. **Innovation:** Originality and creativity of the idea.
2. **Functionality:** Practical application and effectiveness of the prototype.
3. **Presentation:** Clarity, structure, and engagement during the presentation.
4. **Viva Performance:** Depth of knowledge and accuracy of responses.
5. **Abstract Quality:** Completeness and coherence of the documentation.
